

## ***PERMIDES Application for Innovation Voucher Template***

This document is for guidance only and the actual application needs to be filled in using the webforms provided by the PERMIDES platform accessible via [www.permides.eu](http://www.permides.eu)  
March 31<sup>st</sup> 2017

### **1. General information**

**1.1 Title of Proposal:**

**1.2 Acronym:**

**1.3 List of participants:**

**1.4 Project duration:**

(Please note that funding will be provided for a maximum of 6 months)

Project start date	dd/mm/yyyy
Project finish date	dd/mm/yyyy

#### **1.5 Related submission**

Is this proposal connected to another PERMIDES application?  YES  NO

*If YES: please provide the information about the connected application:*

[Call, Proposal ID, Title]

### **2. Summary**

Short project description. Guideline: maximum 1500 characters incl. spaces. Note that this summary will be made publicly available once the project has been selected for PERMIDES funding.

### **3. Excellence**

(Guideline: maximum 5000 characters including spaces)

#### **3.1 Objectives**

- Explain the industrial/economic/societal challenge to address, and the market opportunity to be exploited, through your project
- Explain also how your solution meets the stated challenge or avails of the business opportunity, and describe (potential) expected outcomes.
- Describe the specific objectives for the project action, which should be clear, measurable, realistic and achievable within the duration of the action.

#### **3.2 Concept**

- Describe and explain the overall concept underpinning the action. Describe the main idea, models or assumptions involved. Specify the methodology that you intend to follow, setting out, as appropriate, activities that you will implement during this action.

This project is funded by  
the European Union

### **3.3 Ambition**

- Describe the innovation potential / the advance it would provide compare to existing solutions. Demonstrate that the proposed work is ambitious in context of biopharma sector.

## **4. Impact**

(Guideline: maximum 5000 characters including spaces)

### **4.1 Relevance to market (maximum 1600 characters)**

- Elaborate on which user needs have been identified.
- Describe the type of market targeted. What is the estimation of total available market size? What are the market trends?
- Elaborate on economic relevance of your solution, in particular with respect to growth of SMEs and its general applicability.
- Describe unique selling proposition, where appropriate

### **4.2 Intellectual property, knowledge protection and regulatory issues (maximum 1600 characters)**

- Intellectual Property Rights assets: describe the key knowledge (IPR) items to be used within the project and who owns them; These items had to be developed prior to the project (Background IPR).
- Explain who will be owner of IPR of results generated within the project and if these results will be protected (Foreground IPR).

### **4.3 Project Team (maximum 1600 characters)**

- Describe each partner organization of the project team. Elaborate on their strengths and expertise relevant for the project. Refer to potential track records or similar projects conducted.
- Describe how the project is going to be managed. Mention how many people would be involved in the action. In what way does each of them contribute to the action? Mention key personnel involved.
- Describe, if relevant, potential collaboration partners that will not financially benefit from the project: e.g. universities, large companies, Hospitals, medical associations etc.

## **5. Implementation**

### **5.1 Work plan description and deliverables**

Please provide a coherent description of tasks to be implemented within the Innovation project. Indicate a number of hours required for the implementation of each task and describe its key deliverable (outcome) and the timing of the deliverable (*i.e. within months 1 to 6 of the project*).

Description of work	Start month	End month
Task 1. <Task name> Task description Deliverable: <i>short description</i>		
Task 2. <Task name> Task description Deliverable: <i>short description</i>		
Task 3. <Task name> Task description Deliverable: <i>short description</i>		

## 5.2 Milestones

'Milestones' means control points in the action that help to chart progress. Milestones may correspond to the completion of a key deliverable. Please design up to 3 milestones for the Innovation voucher.

Milestone number	Milestone name	Related Tasks	Estimated date	Means of verification

## 5.3 Risk analysis

**Risk:** Market risks, technological risks and commercial risks. Mention maximum 3 relevant risks and their mitigation measures

Risk number	Risk name	Related Tasks	Probability high/low	Mitigation measures

--	--	--	--	--

#### 5.4 Resources to be committed

Note: Only costs incurred by the service provider i.e. the IT SME(s) are eligible for funding via innovation vouchers.

Detailed costs for the Innovation project

##### 1) Personnel

People working in the project

*In total costs for the personnel* €00.000

##### 2) Other direct costs

€00.000

Specific software licenses (please specify) €00.000

Specific equipment (please specify) €00.000

*In total other direct costs* €00.000

**Funding requested as PERMIDES Innovation Voucher** €00.000

**Total costs of the project** €00.000

This project is funded by  
the European Union

DECLARATION OF HONOR	YES	NO
1) The information contained in this proposal is correct and complete.	<input checked="" type="radio"/>	<input type="radio"/>
2) This proposal complies with ethical principles (including the highest standards of research integrity - as set out, for instance, in the European Code of Conduct for Research Integrity - and including, in particular, avoiding fabrication, falsification, plagiarism or other research misconduct).	<input type="radio"/>	<input type="radio"/>
<p>4) The SME hereby declares that:</p> <ul style="list-style-type: none"> <li>- they are fully eligible in accordance with the criteria set out in the specific call for proposals; and</li> <li>- they have the financial and operational capacity to carry out the proposed action.</li> </ul> <p>The SME is only responsible for the correctness of the information relating to his/her own organization. Each applicant remains responsible for the correctness of the information related to him and declared above. Where the proposal is to be retained for EU funding, the SME and each beneficiary applicant will be required to present a formal declaration in this respect.</p>	<input type="radio"/>	<input type="radio"/>
