Dr. Claudia Bøen, Arctic Pharma AS, Norway
- 11:30–12:30 **Networking Session: Horizon 2020 - Cancer and Personalised Medicine**
Dr. Gupta Udatha, Oslo Cancer Cluster

Guide to reach Oslo Cancer Cluster

Step 1

After a pleasant flight, you will land in Oslo Airport (Gardermoen). Once you take your baggage and Exit the belt area, please follow the signs towards Airport Train Section in the Airport Hall - just a short walk.

Step 2

Purchase a ticket for Flytoget (Airport Express Train) – either online or at the ticket vending machines before you enter the platforms or by just swiping your credit card when you enter the Flytoget station area. Make sure you take a train going to DRAMMEN and buy a ticket to SKØYEN Station.

Flytoget trains usually depart from either Platform 3 or 4. [Flytoget: fares and timetables](#)

Step 3

From Skøyen station, the best way to reach Oslo Cancer Cluster for new comers is by TAXI. Ask the driver to go to **Ullernchausséen 64/66, Oslo – saying it is next to the Norwegian Radium Hospital helps.**

If you arrive by train / use public transportation in Oslo:

See [RUTER travel planner](#) for details. Vending Machines are available at Metro stations and you can also buy the tickets at various small shops like, NARVESEN, 7-ELEVEN or online.

- Subway: 8 minutes walking distance from the “Montebello” station served by **Metro 3 (T-bane 3)** from Oslo City Metro Station called “Jernbanetorget”.
- Bus: 2 minutes walking distance from the “Montebelloveien” bus stop served by Bus no. 23.

Step 4

After you arrive at **Ullernchausséen 64/66**, you will see the building of Oslo Cancer Cluster Innovation Park (picture next page). Venue for the workshop: is **Jónas Einarsson Auditorium**, 2nd floor in the RED building of the Oslo Cancer Cluster Innovation Park. From the main entrance is **2B** (facing the Norwegian Radium Hospital), go straight almost to the end of the corridor and you will find Jónas Einarsson Auditorium – **we will also place some signs!**

Some Practicalities

The main contact points at the workshop are:

D.B.R.K Gupta Udatha
Project Manager

gu@oslocancercluster.no
+ 47 45534627

Charlotte Wu Homme
Membership & Events Coordinator

cwh@oslocancercluster.no
+ 47 41162759

Access/entrance to the building / workshop venue area:

- 8:00-17:00 hrs
Open access via all entrance doors
- 6:00-24:00 hrs
Access through garage
- 24/7 access with employee key card (take help of Gupta or Charlotte)

Wi-Fi @ Jónas Einarsson Auditorium:

ID: guest
pw: inc2015
